ATHENS (GRE) 2022

COVID PROTOCOL/MEASURES to be applied for the FINA ASWS SUPER FINAL in ATHENS (GRE):

1 PCR before arrival (< 48 hrs.) for persons arriving from abroad and fully vaccinated (any vaccine will do). Negative results to be shown upon arrival.

Proof of vaccination can be taken on paper or in an app on the mobile phone and should be shown upon arrival. General rules for covid prevention are advised (distance > 1.5 m) and masks indoors.

For persons not vaccinated or not fully vaccinated a PCR on arrival is mandatory and these persons will remain in quarantine in their room until the result of the PCR is known.
